

## Recycled License Plate Plaques

In honor of our “recycled” racing greyhounds, one of our adopters, Lee (aka greytdaze), is crafting plaques made from recycled license plates and reclaimed wood and is donating 50% of the purchase price to our group.

Our greyhounds have an identification, different from other pets, and unlike their name, completely unique. That is their tattoos. You can choose to have their tattoos done on a sign which can be hung either indoors or outside. This sign may be to acknowledge your current hounds or to be a memorial to the ones gone to the Rainbow Bridge. You may wish to add a name tag or picture.

Signs can be made with a greyhound cutout, a generic dog, a cat, or plain (without a design).

These are custom signs and will be made to your order. There is a limited amount of salvaged fence board for a rustic look, or a more modern redwood.

Let us know what you have in mind and will we do our best to accommodate you. You may want your pet’s name, or a word. You may want your business name or the last name of someone to use as a wedding gift or house-warming present.

The prices run \$5 per letter and \$15 extra for your choice of a cutout design at the top.

Please see the examples given for ideas.

To order email ([greytdaze@gmail.com](mailto:greytdaze@gmail.com)) the following information to Lee:

*Choice of wood (distressed or redwood)*

*Plain or cut out design on top and choice of cut out*

*Tattoos in the order you would like or the wording for the plaque*

Lee will reply to you with the price (including shipping if required) and estimated completion date.
